

## APICS Certified Supply Chain Professional (CSCP) - NSW Certification Administration -

NSW offers the CSCP in two formats - Self study or Instructor-led.

### Self Study

This allows you to purchase the material (both online and hard copy) and to review and prepare for the exam at your own pace. The exam can be booked at a separate date, but students should be aware of the exam registration deadline especially since the exam is only administered twice a year.

	Fees (GST Inclusive)
Material only	\$1430-00
Exam only	\$1155-00
Material and exam purchased together	\$2475-00 *

\* No refunds will be given for exams purchased with material. The student needs to sit the CSCP exam within a 15 month period of purchase.

### Instructor-Led

This option provides you with all the course material (online and hard copy) as well as access to 13 instructor-led evening sessions OR five full day sessions. The exam fee is also included. The instructor led option is ideal for students who are perhaps not accustomed to the rigour and discipline of work and study, or those who simply wish to review and assess the material in a more consultative and collaborative format.

CSCP Course Schedule 2010

Course Dates	Fees (GST inclusive)
Daytime Classes: 9am - 5pm Friday 26 March, 9 April, 23 April, 7 May and 21 May 5 days	\$4290
Evening Classes: 6pm - 9pm Mondays: 16 August, 23 August, 30 August, 6 September, 13 September, 20 September, 27 September, 11 October, 18 October, 25 October, 1 November, 8 November, 15 November 13 sessions	\$4290

### Eligibility

Whether undertaking self-study or instructor-led classes, all students need to be in possession of an Authorisation to Test before enrolling for the CSCP exam. There is no cost for making an application to obtain an Authorisation to Test and you simply need to complete an Eligibility Application and return to the apics NSW office before the Eligibility Application deadline.

### Exams and Deadlines

Strict exam registration, cancellation and defer deadlines and policies exist.
